

**The #1 Rapid COVID-19 Antigen Test in Canada<sup>†</sup>**

## Rapid Response<sup>®</sup>

# COVID-19 Antigen Rapid Test Cassette

At Home

*A 10-minute rapid test designed to detect COVID-19 antigens in nasal swab samples from the comfort of your home, school, or business.*

**The Rapid Response<sup>®</sup> COVID-19 Antigen Rapid Test Cassette** is an *in vitro* immunoassay which detects the nucleocapsid (N) proteins of SARS-CoV-2, the virus that causes COVID-19. The test uses nasal swabs taken from asymptomatic people or symptomatic people within 7 days of symptom onset. This test is for self-testing use, or for adults testing children in a non-laboratory setting.

**The Rapid Response<sup>®</sup> COVID-19 Antigen Rapid Test Cassette** is authorized under the Health Canada Interim Order (IO #342928)

- ✓ **Authorized for self testing**
- ✓ **Results in just 10 minutes**
- ✓ **Easy to follow instructions with illustrations**
- ✓ **Compact kit sizes**
- ✓ **Uses nasal swab samples**

<sup>†</sup>With the greatest number of procured tests by the Canadian Government of any Rapid Antigen Test on the Canadian market. See the numbers yourself [here!](#)

# Rapid Response® COVID-19 Antigen Rapid Test Cassette

## Clinical Evaluation
